Career Objective

Enthusiastic and detailed-oriented .NET Developer fresher with experience in developing web applications using ASP.NET Core, C#, and SQL Server. Looking for an opportunity to contribute to real-world projects and advance my expertise in full-stack .NET development.

Technical Skills

Programming Languages : C, C#, Asp .net, Core Mvc, Asp .net framework

Frontend : HTML, CSS, Javascript, Bootstrap

Tools : Sql Server, Visual Studio, Visual Code

Internship

Cravita Technologies India Private Limited :- Jr. Software Engineer

Associated in developing web application, debugging code, and optimizing performance while gaining hands-on experience with full-stack development and collaborated with senior developers to enhance code quality. Improved problem-solving and coding skills through real-world projects

Projects

Maha-E-Gram

- Developed Built a web application using ASP .NET MVC and SQL Server to manage farmer information.
- Created separate login access for Farmers and csc(Admin) users.
- Allowed farmers to register, log in and upload documents like Aadhaar, bank passbook and 7/12.
- Developed Helper keeps farmer data secure and easy to access for CSCs and Gram Panchayats.

SupportFlow CRM

- Developed a web-based CRM system to manage customers, agents, and support tickets.
- Implemented role-based login and secure authentication for admin and agents.
- Enabled ticket assignment, status updates, and tracking for efficient support flow.
- Stored and managed data using SQL Server with proper validation.

Campus Entrance Vehicle Control System (IoT Based)

- Developed an automated campus entry system to control and monitor gate access.
- Used Arduino and servo motor to open and close the entrance gate automatically.
- Integrated a camera to capture entry details for verification.
- Implemented Python to process data and control hardware operations.
- Stored entry records such as date and time in a CSV file for tracking.
- Improved campus security by allowing only authorized access.

Education

B. Tech (CSE) | Aug 2021 – May 2025 | CGPA: 8.00
Shri Tuljabhavani College of Engineering, Tuljapur – DBATU University

HSC | June 2020 - Feb 2021 | 87.33%
Arts, Commerce & Science Jr. College Murum – Maharashtra State Board

SSC | March-2019 | 82.40%
Z. P. High School Aloor – Maharashtra State Board

CERTIFICATIONS

- Successfully Completed Full Stack Development Course Edge-Dot Net (4 month) - Fortune Cloud
- Database Management System - Great Learning
